The Libertarian Party promotes smaller government, lower taxes and more freedom. If elected Governor, I will work hard to bring that philosophy to government.

Hard economic times require lower spending. The ongoing "war" on drug users, who are the real victims, fills our jails and prisons, at a terrible cost to all of us.

Morality legislation is a terrible waste of resources. The paranoia generated by the "war on terrorism" makes us fear our

government instead of the terrorists. We can do better. As Ben Franklin said "Those who would give up essential liberty in order to gain a little temporary safety, deserve neither liberty nor safety."

As an attorney in Utah since 1973, I have fought to reign in government power. As Governor, I will side with the interests of the citizens, not with those of government officials.

If you agree, tell a friend. Help freedom to ring right here in Utah.

Name: Aric M. Cramer, Sr.

Office: Lieutenant Governor

District: Utah

E-mail address: ariccramer@gmail.com

Website: <http://www.cramerlathamlawyers.com/>

Age: 51

Occupation: Lawyer

Residence: Hurricane

Years at residence: I have been a resident of Utah for more than two decades, a resident of southern Utah for more than six years, and last year I made my home in Hurricane.

Qualifications: I took the oath to support, obey and defend the Utah and U.S. constitutions more than two decades ago, and since then have championed Utahns' dignity, rights, progress, and liberties.

It would be my honor to perform the duties of the Lieutenant Governor described in Article VII of the Utah Constitution and Title 67, Chapter 1a of the Utah Code.

One of the Lieutenant Governor's duties is election supervision. I advocate opening the electoral process to all Utahns by replacing the two-party, winner-take-all system protecting the incumbent political cartel from meaningful competition with spoiler-free ranked choice voting and gerrymander-proof proportional representation. These reforms have demonstrably improved voter engagement and elected official accountability where adopted in America's cities and the world's democracies.

Reclaiming our democracy may also require reclaiming the Lieutenant Governor's former role of corporate oversight. In exchange for the continued limited liability of a corporation's stockholders granted by the State of Utah, I advocate a regular program of auditing, rechartering and dissolving corporations as necessary to protect consumers and entrepreneurs against monopoly and privilege.

Study alternatives to the false choices presented to you by the establishment media. Please vote with courage, integrity, and your conscience.
